F. G. G. Boyd, Esq.  
2788 Broadway  
New York City

Dear Mr. Boyd:

As you perhaps know, your present term as a member of our Council expires with January, 1922. When you told us of your changing to your present position something more than a year ago, you explained, as I recall it, that travelling would prevent your attending the meetings of the Council regularly. It was, therefore, with real pleasure that we found you at our last meeting, and I am wondering whether changed conditions will permit you to attend more frequently hereafter.

As you noticed at the meeting, we are requiring more of our Councillors nowadays than was formerly asked of them, and I am sure you will understand my bringing up this matter now as an effort to simplify the situation.

In other words, what I am asking is whether you want your name submitted as a candidate for re-election or whether you would prefer, if your work is not going to permit your attendance at our meetings, to decline.

You cannot fail to know that we do fully appreciate what you have done for us heretofore, and I hope you will understand this communication in the spirit in which we intend it.

Very sincerely yours,

Reilly

Mr. F. C. C. Boyd,

My dear Boyd:-

I have been looking over the catalogues of Bissell's sales of Government, and I note that Mr. Bissell has apparently received accurate information as to the result of the Franco-Prussian war, as under the heading of German silver coins, he has three Thaler Coins, two and a half Thalers, one Thaler each of Germany and Straits Settlements, three Coins of France and one of French Indo-China, also coins of Austria, Brazil, Chile, Orissa, Portofino, Hawaiian Islands, Saudi, Mexico, Canada, Papal States, Peru, Poland, Corfu, Sicily, Italy, Spain and Tunis.

Germany seems to have been fairly successful. I am rather glad to note, however, that the United States, Portugal and Paraguay appear to have escaped.

Very truly yours,

Dear Mr. Boyd:-

Mr. Bauman & Belden

My dear Mr. Belden

Yours of the 21st received

Very pleased to learn that you have sold  
the 2 medals am sending by boy to-day  
four more you can settle with me the  
next time we meet. It looks to me that  
we will dispose of the whole issue by  
the next meeting guess we won't be selling  
them at a price like the Heater and Higgins  
Medals.

Faithfully yours.

F. C. C. Boyd

Was you satisfied with Saturday's  
Meeting, had lunch with Mr. Wood in Monday  
and he said he enjoyed it very much.

April 23rd, 1915.

Mr. F. C. C. Boyd,  
584 Academy Street,  
New York.

My dear Boyd:-

Very glad to get your letter of April 22nd and the four Smith medals. I feel pretty sure that I can dispose of some, if not all, of them. I am not at all surprised at the good sale these medals are having. Smith is the kind of a chap who makes friends easily, and the medals themselves are good - well worth buying.

I am glad to hear that Mr. Woodin enjoyed the meeting last Saturday. I think that it accomplished its object, and that we got a few good ideas.

We have a meeting, on Thursday evenings, May 6th, and Mr. Pryor is to read a paper which I think will be most interesting. Please make a note of it, and do not make any other engagement for that evening.

With kind regards, I am,

Cordially yours,

May 4th, 1915.

Mr. F. C. D. Boyd,  
364 Academy Street,  
New York.

My Dear Boyd:-

I enclose for the clipping, regarding the Medal of Honor. I am glad to have this as I have a record of all receiving that month up to the first of this year.

Hope to see you on Thursday evening.

Very sincerely yours,

February 28th, 1917.

Mr. F. C. C. Boyd,  
Member, Committee on Paper Money,  
584 Academy Street,  
New York.

Dear Mr. Boyd:-

In view of the fact that this past year was one of new conditions and problems, the work of the Committee on Paper Money was of importance. Much more may be expected in the future with a competent Chairman as the head of this committee. With the ground more or less completed, we can now look forward to the more active and important work that lies ahead of us, and which will call for energetic but highly interesting and valuable activity on the part of the several committees. We feel certain that you are the most able person in your particular line. To assist you as much as possible it has seemed best this year not to appoint your fellow members at once, but ask you to name several members of this Society whom you feel reasonably assured will be of real assistance to you in the coming year. May I ask you to let me hear from you with respect to suggested names as soon as possible in order that we may eliminate any duplication that may arise among the several committees, and write to the appointees before the special meeting of the committees, which will in all probability be called for March 24th. Please make a note of the date as there should be as full a meeting as possible of all the members of all the committees.

Yours very truly,

President.

March 20th, 1917.

Mr. F. G. C. Boyd,  
584 Academy Street,  
New York.

Dear Sir:-

The other members of the Committee on Paper Money, of which you are Chairman, have been officially notified of its organization.

A meeting of all the members of all the Committees is to be called for eleven o'clock on the afternoon of Saturday, March 24th.

As Chairman of your committee will you please make a special effort to attend as it is desirable to talk over the organizing activities of our Society in the various fields covered by the Standing Committees.

Very truly yours,

President.

June 21st, 1917.

Mr. F. C. C. Boyd,  
584 Academy Street,

Dear Sir:-

A meeting of the Council will be held on July 8th at 7 P. M.

Should it be impossible for you to attend the meeting on the 8th, will you kindly let us know as to which afternoon of the succeeding week would be most convenient for you. Give a choice of two days if it is possible.

President.

I returned on Sunday from a trip to Indianapolis and Indianapolis, where I inquired of the leading jewellers to see if they had any bill. I can't try Providence, Boston, or possibly Liverpool. You will you suggest at Receipt?

Mr. John Reilly, Jr., Treasurer,

My dear Mr. Reilly:

I am in receipt of your favor under date of the 29th advising me of the fact that my term as a member of the Council expires with January, 1922.

You have evidently misunderstood my reason for not regularly attending the meetings, when you make the statement that I informed the Council that a change in position would occasion considerable traveling and I would therefore be unable to attend meetings regularly. I informed Mr. Newell, President, that I did not care to attend the Council meetings, when they had countenanced and were continuing to countenance the actions of Mr. Weiman, assistant to the Curator. I further informed Mr. Newell that the talk and actions of this man were lowering the prestige of the Society. That was the reason that I did not go to the meetings regularly.

After Mr. Weiman had resigned, I made up my mind to attend the Council meetings, as the work of the Council was of great interest to me; as a matter of fact, of greater interest than my membership in the Society. I appreciate the fact that in the last year, I have not been of much use to the Council, but this was due to the fact of the continued employment of Mr. Weiman.

However, if you have a man in view, who will take more interest in the work of the Council, than the writer, it would be to the best interests of the Council to withdraw my name, and I make this statement with the welfare of the Council as the first consideration.

Sincerely yours,

Memo for the Press

At a dinner for members of the American Numismatic Society held at 2 Park Avenue last night, a number of important announcements regarding the Museum of the Society were made. Mr. Edward T. Newell, the President of the Society, was in the chair, and he reported regarding the plans for the new building which is being erected alongside the present Museum. He read a letter announcing the gift of a very important collection of South and Central American coins from Julius Guttag, of 16 Exchange Place, this city. This collection is one of the most important covering the coinage of Latin America, in the New World. Announcement was also made of the gift, through Mr. Albert Gallatin, of a collection of medals, decorations and models for the coinage of the Irish Free State, made by the distinguished American sculptor, Paul Manship. A third announcement told of the establishment of the A. M. Sullivan Medal Fund, the income of which is to be used for the purchase of medals for the Museum.

After these announcements, a very interesting illustrated lecture was given by Mr. Dan Fellows Platt, of Englewood, N.J.

Memo for Mr. Newell Regarding Announcements at the Dinner.

1. Mr. Wood now has the plans which you agreed it would be well to have at the dinner for the information of those present and for the elucidation of what commentary you may make on the new building.
2. In addition, attached herewith is a copy of Mr. Guttag's letter announcing the gift of his collection. This, you will remember, you told me you were going to read.
3. The second announcement promised in our circular letter was the gift, through Mr. Gallatin, of the collection of Mr. Manship's work (48 specimens of medals, decorations, and designs for the coinage of the Irish Free State): the point being that we hope to secure a similar representation of the work of the other recipients of the Saltus medal, so that our collection of the medals of American sculptors will be complete.
4. Announcement of the establishment of the A. <sup>Effusion</sup> Sullivan Medal Fund, the income of which (something in the neighborhood of \$200 annually) is to be used for the purchase of foreign medals under terms which are very broad and liberal. I am appending a copy of Mr. Sullivan's Deed of Gift, and suggest that it might be wise to read from this.
5. Will you wish to make some sort of acknowledgment featuring Mr. Platt's contribution, and thanking Boyd for his efficiency, etc.?
6. I have prepared a resumé of the above for the use of the Press. Will you amend this draft so that copies can be prepared?

Mr. F. C. C. Boyd,  
New York City

Dear Mr. Boyd:

At the meeting of the council yesterday, in addition to a minute of thanks to Mr. Platt, the Secretary was instructed to convey to you the thanks and appreciation of the Council for the splendid manner in which all of the details incident to the dinner were handled by you as Chairman of the Committee. The success which attended your efforts will count heavily towards inducing the holding of a similar dinner next year and possibly as a regular annual appointment.

Very cordially yours,

Secretary
